

Biblical Manhood

“Jesus said unto him, I am the way, the truth and the life: no man comes to the Father but by me.

John 14:6

For bank employees to handle money as a job, they first have to go through training. In this training they are taught about counterfeit bills, but instead of studying all the latest counterfeits, they are told to study the real bill. Because if you know the real, you won't fall for the fake.

As we go through Biblical Manhood this season, you will see the glaring truth of why Biblical Manhood is the only real definition of Manhood. Although we will be highlighting some of the counterfeits, we will be spending the majority of our time on truth. To not fall for what is wrong, you must become an expert at what is right. Biblical Manhood is not a methodology, a 12 step formula, or a self-help book, it is a Man and His name is Jesus. Throughout this season we will walk you through the perspectives of Jesus and how He was the proto-typical man.

The Bible gives many historical retellings about other men who lived like Jesus and were men that not only accomplished great things but lived lives that made waves for generations, even up to today. Whether you like it or not or agree with it or not, how you live as a man will affect your life and the lives of those around you for generations to come...so choose well.

P2R (Point 2 Remember):

Biblical Manhood is Jesus. If you ever have a question of how to act in a situation, or think what would a Biblical Man do, think about what Jesus would do in that situation.
