

**The Freedom of Structure**

**The greater structure you have, the greater benefit you will receive**

Do you get more done during the off season or during the season? The reality is that although it seems like more options give us more freedom, what it actually does is make us fall to our default. Structure makes demands on your abilities that causes you to accomplish more than you usually would.

**"You will seek me and find me when you search for me with all your heart." Jeremiah 29:13**

The Bible calls us to great intentionality in our walk with Christ. Although we have the "freedom" to spend time with God all day long...the reality is that we spend more time with God when it is structured into our daily life. Intentionality and pursuit go hand in hand in our relationship with God. Without adequate goals and accountability, we will not end up where we want with God.

**"This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success." Joshua 1:8**

Many times what we attribute to God is really our own doing. We say "If it's God's will it will happen", and yet God has already explicitly showed us in His Word, His will. I like how the scripture states that we will make our own way prosperous. God gives us the tools, but we need to put them to work.

**P2R (Point 2 Remember):** *Everyday you are building your life brick by brick...will it stand the test of time?*
