

Do you know?

“My son, if you accept my words and store up my commands within you,
²turning your ear to wisdom and applying your heart to understanding—
³indeed, if you call out for insight and cry aloud for understanding,
⁴and if you look for it as for silver and search for it as for hidden treasure,
⁵then you will understand the fear of the Lord and find the knowledge of God.”
Proverbs 2:1-5

The knowledge of God is not only what makes the “world go round” but is also what it takes to have Eternal life. The knowledge of God helps us understand what life is all about and how to succeed in life. With all the value the knowledge of God has, it makes sense that we would have to pay a price to get it. Many would say it should be free, but sadly many times what is free is what is valued least.

In verses 1-5 it says if you:

Receive, Treasure, Turn, Apply, Cry, Call out, Look and Search...THEN you will understand. The Knowledge of God is not cheap. It's a learned response. It is a costly choice. It should not be taken as automatic. There is a price to pay to fear the Lord and understand God. It should not be taken lightly and can not be accomplished without an intentional investment.

If you think the price to pay for the knowledge of God is steep...you should see how expensive it is to lack knowledge. You don't know, what you don't know but the truth is sometimes what we don't know can lead to our death. There's a price to pay to “live your best life”. If you're willing to pay the price, you will reap the rewards of your best life and eternal life. It takes an investment for knowledge to make sense.

P2R (Point 2 Remember): *If you don't work for it, you won't appreciate it.*
