### Scripture – Galatian 6: 1-

*Brothers, if you see a man overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering yourself let you be tempted also.*

Quote: Success is not final; failure is not fatal, it is the courage to continue that counts.

The rules in the game of life are like the rules in basketball. If you want it to go well you need a referee. Imagine playing basketball games without referees. It is not likely that the outcome would seem fair, particularly if you are on the losing side.

According to Indeed, an NBA ref is a professional who works as an officiant during games. They work with a group of other referees to ensure fair game results and sportsman like conduct between basketball teams.

### Key Points

- Fairness in life, is not always perfect. There is a cost to getting things right. Pay it!
- People are prone to fail. Everybody needs a little help a lot more than they admit.
- Men of faith show up best in life, when someone has helped them!

Conclusion: Think of a time in your life when you needed help. Who did you call?
